The Daylight Store

Last Chance to Buy Garments and Furs.

Last week was the largest Garment and Fur week we have had since December. The reason for same is because we have put the price so small that it means a saving of one hundred per cent on the investment for another season. In two weeks we will be advertising Spring Goods and by that time our Winter Garments must be all closed out and the Furs packed away. Remember that we mark our goods in plain figures and believe in small profits and quick sales. If we marked our goods at the profits some merchants do these mark-down prices would look even smaller to you, but in reality they would be the same.

Ladies' Tailored Suits.

If in need of a common business Suit now is the time to get one at a small price of first cost. Many of these Suits are as good style as we will have in the Spring, but the sizes are broken and we would rather close them out and have a fresh stock. Compare them with the new Spring styles and then you will realize the values we are offering.

One lot of Suits in blacks and colors, that have sold for \$10.00 and \$12.00 each, in this closing sale at just half price, \$5.00 and \$6.00. Where can you invest a few dollars and realize larger returns for your money?

Suits that were \$18.00, \$20.00 and \$25.00 for only half price. Quality and style are good, many of them have the new sleeve.

See the values within the next two weeks and save money.

Ladies' Coats.

This has been the largest Coat season with us we ever had. One reason is we have had the right garments at the right prices. At the close of the season we are making the price on garments in stock so cheap that in two weeks' time we will have empty racks for Spring goods.

We have gone through the stock and where we have had only one garment left of a size, have put them on one rack at \$3.98 to close. These Coats were originally priced at \$6.50, \$8.00, \$10.00 to \$15.00 and were great values.

The rest of our stock ranging in price from \$18.00 to \$18.00 we are selling at half price. We want the money for next season's business.

Ladies' Furs.

This is surely one of the largest Fur seasons for many years. Nearly everyone wears Furs. Many are wearing old ones and will have to buy next season. To such, this is a chance to get a new Fur at a little price and make a good investment for next season.

One special line of Cluster Scarfs that sold at \$5.00 and \$7.75, to close the line at \$3.98. Good Fur for school wear.

The special Fur we are offering at \$7.50 and \$8.00 is a great money saver for you.

We also have a few good Fox Furs at prices which should be of interest to any lady wanting the same.
